

WHAT CAN WE ACCOMPLISH TOGETHER
THAT WE CAN'T ACCOMPLISH ALONE?

Ottawa Energy Collective IMPACT Strategy Roundtable

JUNE 5TH @ CITYHALL PLATJEAN PIGGOT HALL 9:00AM -4:00PM

Ottawa Energy Collective Impact (OttECI) invites you to join other leaders focused on reducing emissions in Ottawa to refine our collective strategy to make a significant impact.

Hear from Dianne Saxe, former Ontario environment commissioner and our local leaders making waves together.

WHY FOCUS ON BUILDINGS?

49%

OF OTTAWA'S GHG EMISSIONS COME FROM BUILDINGS

We need the perspectives and commitment from all actors in the system to make a BOLD, collective strategy for our future city.

Builders

City of Ottawa

Energy producers distributors

Ontario Building Code

National Carbon Pricing

Insurers Lawyers

Funders Investors

Retrofitters Engineers

Residents NGO's
